

Anoka County Senior Caucus news for November

Steven Simon, Candidate for Secretary of State was at our meeting on November 13th. We decided not to have a December meeting, but will gather again on January 8th. Mel Aanerud will be out of town that day and John Burkardt as Vice Chair will chair the meeting.

We have the need for a treasurer. The caucus can get a \$100.00 donation as soon as we have elected a treasurer and have an account as required by state election laws. We have people who can help the treasurer get the account set up. Contact Mel Aanerud 763-434-3809 or aanerud4@comcast.net to volunteer.

The State Senior Caucus held their Gala on Sunday November 17 in Minneapolis. Mel Aanerud from the Anoka county senior caucus attended. They are looking for someone from our caucus to be on the state membership committee – if anyone is interested they should contact Mel Aanerud aanerud4@comcast.net

I am asking district chairs to get me lists of people from their districts who might be interested in the senior caucus. We will send them announcements. If you have someone you would like to see invited to meet with us, get that information to Mel Aanerud – aanerud4@comcast.net
