Dear Friends, Welcome to the 2020 DFL Precinct Caucuses. Tonight, Democrats are gathered all over the state to take an important first step in choosing our candidates and setting our platform for this election cycle. The upcoming campaign will not be easy, but we can win by joining together to strengthen our Party, spread our progressive message and support our candidates for office. With your help we will keep our US Senate seat, grow our House majority, take back the MN Senate, and defeat this destructive president. In these days of political division, remember that we are stronger together. Early voting for the presidential primary has already begun, you have until next Tuesday March 3rd to vote for your favorite candidate for president. Our work starts here tonight and will continue over the next nine months, till Election Day, November 3rd. I admire your dedication and appreciate your commitment to the Minnesota Democratic-Farmer-Labor Party. Thank you for being here tonight to participate in democracy at the grassroots. Now, let’s get to work!

☐ Pass the Hat
  - This is an opportunity to raise funds for the local party units to support their work throughout the year.

☐ Encourage attendees to introduce themselves
  - In a small gathering, attendees can speak to all.
  - In a larger group, have people take a moment to meet the others next to them.
  - Listen to the people at your caucus and make the caucus fun!

☐ Ensure all attendees have the agenda and sample rules
  - If you run out of handouts, ask attendees to share.
  - Explain that a vote will be taken to adopt the rules, so they should think about any rules changes they want to suggest before that vote occurs.
Verify that all attendees reside in the precinct
- Restate the name and number of the precinct.
  - Name _____
  - Number ______
- Describe the precinct boundaries using the precinct map.
- Encourage anyone who is unsure if they are at the correct precinct meeting to check using the precinct finder.
- Ask for non-attendee participation forms or letters.

Read (or ask a volunteer to read) the eligibility requirements:

By signing in, precinct caucus attendees agree to the following: You affirm that you live in the precinct; you will be 18 and eligible to vote by November 3, 2020 if you wish to run for, or vote for, organizing unit convention delegate or alternate—or—will be 16 and eligible to participate in caucus business; you consider yourself a member of the DFL Party, and are not an active member of any other political party; and, you agree with the principles of the DFL Party as stated in the DFL Constitution and Bylaws.

Read (or ask a volunteer to read) the DFL Affirmative Action, Outreach, and Inclusion Statement:

The DFL seeks to end discrimination and bigotry in all its forms and to inspire broad participation in our party. As part of our commitment to outreach and inclusion, we will take affirmative steps to increase the participation of members of all underrepresented communities. When you vote today, remember this commitment includes electing members of underrepresented communities to positions both within the DFL party and in public office.

Read (or ask a volunteer to read) the DFL Platform Statement:

The State DFL Ongoing Platform embodies the principles of the Minnesota Democratic-Farmer-Labor Party. The State DFL Action Agenda is a set of recommended public policy positions which the party supports and will promote during the next two years. The State DFL Legislative Priorities will be drawn from these two documents.

Open Nominations for the position of Caucus Chair
- Explain that the caucus chair is the moderator for all official caucus business to be conducted this evening only.
- The convenor typically has been trained for the position and is eligible to be nominated for caucus chair, even if the convenor is not a resident of the precinct.
- Ask for nominations and say that people can nominate themselves.
- All nominees should be given time to speak to the caucus before the vote is taken. The time allowed is determined by the caucus attendees. 1 minute is suggested.

Elect Caucus Chair
- Attendees decide how to conduct the vote (voice, show of hands, etc.).
- If someone other than the convenor is elected caucus chair, the convenor should provide them with this packet and willingly assist the caucus chair as needed.
Following the Election of the Chair

At this point, the caucus chair takes over to lead the following business

☐ **Elect two Tellers (or more if the caucus is large)**
  - Explain that tellers will count and tally any votes taken by the caucus.

☐ **Appoint a Secretary**
  - Explain that the secretary will assist with record keeping during the caucus and help to complete the report forms after the caucus.

☐ **Adopt precinct caucus rules**
  - Reference the sample rules that have been provided.

☐ **Encourage caucus attendees to sign up to serve as election judges in 2020**
  - Inform the caucus that election judges are temporary, paid employees of local election officials who are trained to handle all aspects of voting at the polling place.
  - Their names will be sent to the Minnesota Secretary of State and County Auditor.
  - Volunteers will be contacted by the City or County Election Office later for training and polling place assignments.
  - The caucus secretary records those interested on election judge report form.

☐ **Open nominations for and elect Precinct Officers**

  **REMINDER:** Include any nominees from the Non-Attendee Participation Forms and letters.
  - **Explain:** We will be electing one precinct chair and up to two vice chairs. The Precinct Chair works to identify democrats in your precinct and serves on the organizing unit central committee. We will also elect two vice chairs who will assist the chair and be alternates on the organizing unit central committee. At least one must not identify as the same gender as the chair. These positions are for a 2-year term.
  - **Affirmative Action Outreach and Inclusion Statement must be read before voting.**
  - **Contested elections must be by paper ballot.**

**Election of delegates must start at (not before) 7:30pm, unless people are still registering**

☐ **Open nominations for Organizing Unit Convention Delegates and Alternates**

  **REMINDER:** Include any nominees from the Non-Attendee Participation Forms and letters.
  - **Explain:** We will be electing delegates to our Organizing Unit Convention where they will consider endorsing local candidates like State Representatives and State Senators, elect leaders to run the Organizing Unit and elect Delegates and Alternates to the Congressional District and State Conventions. We will also elect alternates who step in if a delegate is unable to attend.
  - Announce the number of delegates and alternates that need to be elected as well as the date of the convention (this information should be on the front of the caucus information envelope).
  - People who sent Non-Attendee Participation Forms or letters must be entered into nomination when the caucus prepares to elect its delegates and alternates.
  - Ask people who would like to be a delegate to raise their hands to find out if a contest exists. If no contest exists, mark each person as a delegate on the sign-in sheet, and record their names on the ‘Precinct Caucus Delegate Report’.
If a contest exists elect Organizing Unit Convention Delegates and Alternates

- Ask for a show of hands on how many wish to use a system of voting that allows for proportional representation - also known as walking sub-caucus.
- If the number of participants who wish to use a proportional voting system is equal to or greater than the number needed to elect one delegate, it must be used. You can find how on page 4 of the Official Call. *NO PRESIDENTIAL CANDIDATE NAMES MAY BE USED WHEN MAKING A SUBCAUCUS*
- If proportional voting is not used, each participant may vote for as many nominees as there are delegates to be elected. Alternates are nominated and elected in the same fashion after delegate election is completed. The number of votes each alternate receives must be recorded for use in alternate ranking at the organizing unit convention.

Record the results of this election using the Precinct Caucus Delegate Report Form

- Confirm that the caucus has elected the correct number of delegates and alternates, as indicated on the caucus information envelope.
- Use the ‘Precinct Caucus Delegate and Alternate Reports’ to record who was elected. You should also indicate the delegates and alternates using the online registration tool.
- Delegates must have gender equity as well as alternates. If the delegation does not have gender equity (both together as within each group) include a written explanation.

Elect Organizing Unit pre-convention committee members and any other local delegates

REMINDER: Include any nominees from the Non-Attendee Participation Forms and letters.

- Follow local directions from your organizing unit chair for which committees you will need to elect members to participate on for the convention.
- Typical pre-convention committees include:
  - Credentials - Verify delegates and sign them in to the convention
  - Nominations - Interview candidates for party positions.
  - Constitution and Rules - Prepare rules for the convention and amending the Organizing Unit’s Constitution.
  - Resolutions - Review resolutions that passed at caucus and organize them for consideration at the convention.

Optional: Elect any other local delegates

- Ask your organizing unit chair if this will be part of your caucus.

Consider Resolutions

- The caucus can determine how it will discuss the resolutions
- Resolutions must be written on or attached to ‘Minnesota DFL Resolution’ forms.
- Indicate if each resolution passed or failed and return all forms to your organizing unit chair.

Provide time for announcements

- Remind caucus attendees to vote the following Tuesday in the Presidential Primary. If they are not currently registered, that can do that at the polls.

---

1 Example: in a precinct caucus of 19 participants electing 3 delegates, each delegate represents more than 6 but less than 7 participants (19 ÷ 3 = 6.33). Therefore, a minimum of 7 participants can require proportional voting. If proportional voting is not used, each participant may vote for as many nominees as there are delegates to be elected. Alternates are nominated and elected in the same fashion after delegate election is completed. The number of votes each alternate receives must be recorded for use in alternate ranking at the organizing unit convention.
Ask anyone who was elected to stay after the meeting to confirm their information and to provide direction.

**Adjourn no earlier than 8:00pm (Minnesota State Law)**

---

**After the Caucus adjourns**

- Meet with elected individuals to confirm the secretary has their information for the report forms.
- Provide Convention Delegates and Alternates with a copy of the convention call.
- Complete all report forms and record results in the online registration tool (caucus chair and elected precinct chair should do this together if they are different people)
  - Delegates and alternates (including ranking)
  - Election Judge volunteers
  - New precinct officers
  - Pre-convention committee members must be recorded as your local unit indicates
- Give all materials to your organizing Unit Chair, or a designated representative, including:
  - Caucus registration forms including Non-Attendee Participation forms and letters with delegates and alternates indicated
  - Precinct Caucus Report Form
  - Precinct Caucus Delegate Reports
  - All resolutions, whether marked passed or failed
  - A list of the names of the people elected to each pre-convention committee
